

Gosport Marine Futures is an adventurous Sail Training and personal development programme for 14-17 year olds living in the Gosport area. Through taking part in a week long voyage on board a 50 foot yacht you will discover hidden strengths and talents, make new friends and find out about your coast. After your voyage, there will be opportunities to take part in vessel maintenance, learn about jobs available in the maritime sector, or get involved with a local sailing club. You may even gain a recognised RYA sailing qualification.

The experience is funded by Gosport Marine Scene (now part of Portsmouth Harbour Marine) whose aim is to get more local young people involved in the Marine Sector. No previous sailing experience is required as you will be taught everything you need to know. You just need to have an interest in the outdoors and be willing to give it your best.

To take part, you must be between 14 and 17 years old and available from 27th July to 2nd August 2019. To apply for one of the 8 crew places available, complete the application and return by 2100 on **Friday 31st May 2019** via email to marinefutures@portsmouthharbourmarine.org.uk or post to Gosport Marine Scene, c/o Hornet Services Sailing Club, Haslar Road, Gosport, PO12 2AQ .
