

Gosport Marine Futures is an adventurous training and personal development programme for 14-17 year olds living in the Gosport area. Through taking part in a week long voyage on board a 50 foot yacht you will discover hidden strengths and talents, make new friends and find out about your coast. After your voyage, there will be opportunities to take part in vessel maintenance, learn about jobs available in the maritime sector, or get involved with a local sailing club. You may even gain a recognised RYA sailing qualification.

The experience is funded by Gosport Marine Scene, however you may be expected to take part in a small amount of fundraising activity.

No previous sailing experience is required as you will be taught everything you need to know.

To take part, you must be between 14 and 17 years old and available from 25th to 31st August 2018. To apply for one of the 8 crew places available, complete the application and return by 1200 on **Friday 29th June** via email to events@gosportmarinescene.com or post to Gosport Marine Scene, c/o Haslar Marina, Gosport, PO12 1NU. Please mark your envelope 'Gosport Marine Futures'.
